The Lord Who Heals

To hear this name excites us

After all who could not use a little healing

Healing consumes 75% of our prayer life

**The aches, pains and illnesses of ourselves
and our loved ones cause us stress**

We want to be healed

Going to Disappoint You

**Jehovah Rapha is not
about physical healing**

**Jehovah Rapha is about
something much deeper**

The Spiritual High

From the High to the Low

The Lord Who Heals

**Interesting God took them from the Red Sea
where too much water was an issue to the
desert where no water was an issue**

**Suddenly the Great God that rescued them
seemed to be gone and now
they were on their own**

**They began to complain
they were thirsty**

Have you ever been bitter toward God?

Life can leave us bitter

It can leave us angry and upset

**Often times there are more
questions than answers**

Bitter

**The common way to approach
a difficulty or stress in our life
is the same way
that the Israelites
approached their stress**

Exodus 15:24

**So the people grumbled against Moses,
saying, “What are we to drink?”**

Job 2: 9

**His wife said to him, “Are you still
maintaining your integrity?
Curse God and die!”**

God can heal the bitter heart

**Then Moses cried out to the Lord,
and the Lord showed him a piece
of wood. He threw it into the water,
and the water became fit to drink.**

v. 25

God can heal the bitter heart

**Interesting enough the solution began
with a cry for help**

**The solution to this problem of bitter water
was not one from the mind of man.
It was rather from the Lord Himself.**

The solution did not make sense

**Moses had to actually put the
tree into practice**

When we think of the many bitter experiences of life, what tree has made a difference?

The Cross of Christ

The bitter problems of life can become sweet

He said, “If you listen carefully to the Lord your God and do what is right in his eyes, if you pay attention to his commands and keep all his decrees, I will not bring on you any of the diseases I brought on the Egyptians, for I am the Lord, who heals you.”

v. 26

**The bitter problems of
life can become sweet**

If you listen

If you follow

If you pay attention

The Sweet

**Not a promise that nothing bad
will ever happen**

**Just a promise that God will
not work against you**

**He will heal you on the inside
(take away the bitter)**

I the Lord Am Your Healer

**Literally, I am Jehovah Rapha,
The Lord Who makes bitter things sweet**

**The name Jehovah Rapha is a name that
speaks to us and our need today**

**We live in a stressful world and society. Every
day new problems confront us and we bend
under the load of seemingly
unsolvable problems.**

I the Lord Am Your Healer

**But Jehovah-Rapha desires
to bring healing to a sick world**

But only when we allow Him to

Bitter or Sweet
