**The Faith Connection
God in the Gospels
(The Laptop Computer)**

**There are 4 books
that make up the Gospels**

**The term gospel literally means
“Good News”**

Jesus' Ministry

Jesus did many other things as well. If every one of them were written down, I suppose that even the whole world would not have room for the books that would be written.

John 21:25

Order Written

Mark: Some time in the early to mid 60s

Matthew: Some time in the mid to late 60s

Luke: Some time in the late 60s

John: The dates for the work being completed ranged from the early 70s all the way up close to the turn of the century

The Synoptic Gospels

Mark was more of a gentile focus

Matthew was more of a Jewish focus

Luke's work was written to one person but most believe it was a contracted work.

(Luke and Acts are connected as a continuing story)

John

**The other three tell us what Jesus said and did;
John tells us who Jesus is.**

**The others focus on the signs and sayings of Christ;
John emphasizes the identity of Christ.**

Where is the Faith Story?

**Jesus was on this planet
a very short time
(33 years)**

**He brought the very power of
God into humanity**

**Important it was still
a physical connecting point**

**Upon his death Jesus broke
through the barriers put
in place by the Old Testament**

It's not the finished story (Acts 1:1-11)

**It's not finished
but it is complete:
Are You Willing
to Accept?**
