

A vibrant, colorful nebula in space, featuring swirling patterns of orange, red, yellow, green, and blue. The background is a dark starry field. The word "Creator" is written in a stylized, white, outlined font, slanted diagonally across the center of the image.

Creator

A vibrant, futuristic space scene. In the center is a large, blue, textured planet. The background is filled with colorful nebulae in shades of purple, pink, and green, along with numerous stars and smaller celestial bodies. Several futuristic spacecraft are visible, some with glowing blue and green lights. The overall atmosphere is dynamic and imaginative.

*Creativity*

# *Creativity*

**Where did our appreciation for art, music, literature, poetry evolve?**

**Where did love evolve?**

**What does an appreciation for beauty have to do with survival?**

**Where did our creative ability evolve?**

A vibrant space scene featuring a large, detailed blue planet with white clouds as the central focus. The background is filled with colorful nebulae in shades of purple, pink, and green, along with numerous stars and smaller celestial bodies. Several spaceships are visible, some with glowing engines, scattered throughout the scene. The overall atmosphere is dynamic and futuristic.

# *The Animal Kingdom*

A vibrant, colorful space scene featuring a large blue planet, several spaceships, and a nebula. The text is overlaid on the scene.

*Animals do not exhibit  
“Creativity”*

A vibrant, futuristic space scene. In the center is a large, detailed blue planet with visible surface features. The background is filled with colorful nebulae in shades of purple, pink, and green, along with numerous stars and smaller celestial bodies. Several spaceships are scattered throughout the scene, some with glowing engines. The overall atmosphere is one of cosmic wonder and advanced technology.

*Desperate for Creativity*

*Our Creative Creator*

# *The Process*

**Every “creator” has a process even God**

**God spoke “And God said, “Let there be...””**

**God Named**

**God Admired --- God saw that it was good**

**God was in no hurry**

**He was not constructing, he was creating**

# *For Humanity*

**The Process changed but it was still a process**

**God Pondered (Genesis 1:26) --- Self Portrait**

**“Let us make mankind in our image, in our likeness”**

**God Molded (Genesis 2:7) --- Hands on approach**

**Then the Lord God formed a man from the dust  
of the ground**

**He Breathed (Genesis 2:7)**

**Breathed into his nostrils the breath of life,  
and the man became a living being**

A vibrant, futuristic space scene. In the center is a large, blue, textured planet. The background is a deep purple and blue space filled with colorful nebulae in shades of green, yellow, and red. Several spacecraft are visible, including a large, complex structure in the foreground and smaller ships in the distance. The overall atmosphere is one of cosmic wonder and advanced technology.

*The Creator created  
something destined  
to be creative*

*The way the God created everything  
reflects His creativity.*

**Look at the human body and marvel at God's  
creativity.**

*The way the God created everything  
reflects His creativity.*

**Look at the human body and marvel at God's  
creativity.**

*The way the God created everything  
reflects His creativity.*

creativity.**

*The way the God created everything  
reflects His creativity.*

**Look at the human body and marvel at God's  
creativity.**

*The way the God created everything  
reflects His creativity.*

**Look at the human body and marvel at God's  
creativity.**

A vibrant, colorful space scene featuring a large blue planet, several spaceships, and a nebula. The background is a deep purple and blue space filled with stars, nebulae, and various celestial bodies. A large, detailed blue planet with white clouds is the central focus. Several spaceships are scattered throughout the scene, some with glowing engines. The overall atmosphere is one of a dynamic and imaginative universe.

*This Took Creativity.*

*There is a design to all of God's creation  
and it reflects His creativity*

**For this is what the Lord says— he who created the heavens, he is God; he who fashioned and made the earth, he founded it; he did not create it to be empty, but formed it to be inhabited — he says: “I am the Lord, and there is no other.**

**Isaiah 45:18**

# *A Sustainable Design*

**Then God said, “Let the land produce vegetation: seed-bearing plants and trees on the land that bear fruit with seed in it, according to their various kinds.” And it was so. The land produced vegetation: plants bearing seed according to their kinds and trees bearing fruit with seed in it according to their kinds. And God saw that it was good.**

**Genesis 1:11-12**

A vibrant space scene featuring a large blue planet, several spaceships, and colorful nebulae. The background is a deep blue and purple space filled with stars, nebulae, and various celestial bodies. A large, detailed blue planet with white clouds is the central focus. Several spaceships are scattered throughout the scene, some with glowing engines. The overall atmosphere is one of a futuristic or advanced space environment.

# *Intelligent Design*

# *Variety*

**(Genesis 1:20-25)**

*Boring!*

# *Variety*

**God could have made one thing and multiplied it, but God exhibits His creativity by the variety of creation.**

# *Variety*

**God could have made one thing and multiplied it, but God exhibits His creativity by the variety of creation.**

# *Variety*

**God could have made one thing and multiplied it, but God exhibits His creativity by the variety of creation.**

*All Praise to  
the Creative Creator*
