# Welcome

Prior to Sunday School and between Sunday School and Worship are "In Between Times." This is a great opportunity to meet other people and enjoy some complimentary coffee.

We have nursery and Children's Church available for infants through 5th grade every Sunday morning. We provide age appropriate lessons, crafts, snack and fun for your children. Of course you are welcome to keep them with you in the main service.

You can pick up lots of information about our church and its programs and ministries at the Information Table at the front and back tables. Feel free to grab CDs of previous sermons.

Come as you are. There's no dress code so come right in, grab some coffee, look around, ask question... We want you to always feel as welcome as you are.
